Free Eye Camp

Sannidhi Primary School, Najafgarh

Conducted by

Venu Eye Institute & Research Centre, and

The Guild

On 18 April 2026, a free eye check-up camp was successfully organized at Sannidhi Primary School Najafgarh with the aim of providing basic eye care services to the community. This is part of the outreach program of the Guild conducted every month thus deepening our investment into the community A team of medical professionals from Venu Hospital visited the school and conducted detailed eye examinations for all the patients.

A total of 100 patients attended the camp. Out of these, 15 patients were advised to get spectacles due to vision problems, and 1 patient was referred for further treatment and possible surgery.

The entire eye camp was conducted smoothly and efficiently. Proper care, guidance, and attention were given to every patient throughout the process. The camp proved to be highly beneficial for the community and helped in spreading awareness about eye health.
