Free Eye Camp

Sannidhi Primary School, Najafgarh

Conducted by

Venu Eye Institute & Research Centre, and The Guild

Date : 18/07/2026

Free eye check-ups for community members, encouraging better eye health through timely screening and care.

The Guild of Service, in collaboration with Venu Eye Institute & Research Centre, organized an Eye Camp at Sannidhi Primary School, Najafgarh on 18 July 2026 to promote eye health and facilitate the early detection of vision-related problems among students and members of the local community.

The medical team from Venu Eye Institute conducted comprehensive eye examinations for 111 beneficiaries, including 64 patients and 47 students from Classes I to V. All attendees present at the camp underwent successful eye screening.

Following the examination, 17 patients were prescribed spectacles to improve their vision. In addition, 4 patients were identified as requiring surgical intervention and were referred for further medical evaluation and treatment.

Eye screening for students to promote healthy vision and support early detection of eye problems.

The Eye Camp concluded successfully, providing essential eye care services, creating awareness about the importance of regular eye check-ups, and ensuring timely referral for individuals requiring further treatment. The Guild of Service remains committed to promoting accessible healthcare and improving the well-being of children and the community through such initiatives.
