Free Eye Camp

Sannidhi Primary School, Najafgarh

Conducted by

Venu Eye Institute & Research Centre, and
The Guild

A simple eye checkup today for a clearer and healthier tomorrow

On 16 May 2026, a free eye check-up camp was successfully organized at Sannidhi Primary School, Najafgarh, with the aim of providing basic eye care services to the community. This is part of the outreach program of the Guild conducted every month, thus deepening our investment into the community. A team of medical professionals from Venu Hospital visited the school and conducted detailed eye examinations for all the patients.

A total of 60 patients attended the camp. Out of these, 8 patients were advised to get spectacles due to vision problems.

The entire eye camp was conducted smoothly and efficiently. Proper care, guidance, and attention were given to every patient throughout the process. The camp proved to be highly beneficial for the community and helped in spreading awareness about eye health.
