On 21st February 2026, a successful Eye Camp was organized at Sannidhi Primary School, Najafgarh by **The Guild,** with the support of the medical team and experienced doctors from **Venu Eye Institute & Research Centre.** The main objective of this camp was to provide free eye examinations and create awareness about eye health among students, parents, and local residents.

The camp received an encouraging response from the community. A total of 250 registrations were recorded during the program. Students, parents, and nearby residents actively participated and availed themselves of the eye check-up services. The medical team conducted detailed examinations and provided necessary guidance to the patients.

Out of all the registered cases, 13 patients were identified for further treatment. Among them, 7 cases were cancelled due to medical reasons, as some patients had stents and heart-related issues. The remaining 6 patients have been selected for eye surgery and are scheduled to be taken for operation on Tuesday 24th February.
